

MIZPAH MUSINGS

We welcome Mrs. Christina Orgnon back to Mizpah this morning. “Ms. O” is the Guidance Counselor at Old Richmond Elementary, and we appreciate her active and compassionate role in helping us partner with the school.

“One hundred years from now, it will not matter what kind of car I drove. What kind of house I lived in, how much money was in my bank account nor what my clothes looked like. But the world may be a better place because I was important in the life of a child.”

We also recognize and celebrate our own Liz and Rodney Money. Liz is an awesome first grade teacher at Gibson Elementary, and Rodney is passing on his love of music to his students at Millennium Charter Academy in Mt. Airy. We are so thankful for them.

HAPPENINGS:

The Vestal Kapp Speas class is discovering more fully what it means to honor God, their theme for study this quarter. And the Everyday Christian class is starting “24 Hours That Changed the World,” a video series that explores the events of Holy Week. **Come join us in either class, as we study and learn and discuss and fellowship.**

You are invited to an Open House at King Outreach Ministry today from 2:00 to 4:00. KOM’s new facility now houses both the ministry and the thrift shop under one roof and is located at 221 Ingram Road in King (across from Walmart). There is an urgent need for volunteers, so if you feel led to help, today is a good day to let them know.
